Dog Show Exhibits from Mirfield Show 2010

The fun dog show is usually very popular, and while we will do our best to have everyone take part, it may be necessary to limit the number of entries so we would recommend that you enter as early as possible in order to avoid disappointment. You can enter at the information point at any time up to 12.00 pm or at the dog ring itself if there are places left. The dog show would like to thank John Roberts for his invaluable help in making sure that things run smoothly plus all of this year's generous sponsors.
